- Encounters Festivals Ltd is a not for profit registered charity that delivers the annual festival and all other yearly activity under the Encounters banner.
- The 2017 festival takes place in Bristol, UK, between 19th – 24th September.
- The final selection of all films presented at the festival and their placement in the programme is the responsibility of the Short Film Programmer for Brief Encounters and the Animation Programme Manager for Animated Encounters with the assistance of other programmers, the process is overseen by the Festival Director. The organisation of the event and programming of all other non-competitive elements is the responsibility of the core festival team.

ELIGIBILITY

- The festival is open to short films of all production techniques, including animation, documentary, drama, experimental or artist film and hybrid work from low to high budgets.
- The primary contact completing the submission process must be authorised to submit the film for consideration including permission from a distributor or sales agent representing the film and must have obtained necessary permissions for the inclusion of copyrighted music and/or images within the films. **With this submission, the applicant confirms that they possess all rights necessary for the screening of the submitted film at this film festival.**
- Films must have been completed after 1st January 2016 with a maximum duration of 30 minutes including credits (except for certain awards which require a shorter duration).
- Films previously submitted for competition to past editions of the festival are not eligible for re-submission, unless withdrawn prior to programme announcement or at the festivals discretion.
- Films that have appeared in guest programmes at previous editions and completed after 1st January 2016 are still eligible to submit.
- Encounters Festival does not require any premiere status.

REGISTRATION AND DATA PROTECTION

- Before you can submit your film you will be asked to register your contact information and film details with one of our submission hosts: e.g., Festhome, Reelport or Withoutabox. These details will only be shared with Encounters. Encounters will ensure this information is NEVER used for anything other than direct contact from the festival or from the submission provider and this data will NEVER be shared with anyone else.

ENTRY FEES

- There is a submission fee to enter your films to Encounters. These costs equate to the viewing and administration of the submission process and digital viewing library facilities. Reduced rates for multiple entries are offered (see 19-21).
- Due to the submission platforms being run by third parties Encounters does not have the capability to apply refunds. Discounts and waivers must be sought before the films have been submitted.
- The cost of submitting a film to the festival for 2017 remains at €25.
- A separate application is required for each film submission.
- The submission fee is only usually waived for single entries if the applicant resides in a less economically developed country and cannot afford to pay western fees (<http://www.unohrlls.org/en/ldc/25/>)

STUDENT ENTRIES

- Entries created within educational institutions are accepted and are eligible for an additional award (see below).
- If you are submitting from a college/university into the main competition it is strongly recommend that you submit your films collectively as an institute to receive a multiple entry discount (see below).

MULTIPLE ENTRIES

- Applicants may enter as many films as they wish – if multiple entries are required please contact the festival office before you submit your films for instructions. Please note each entry requires a separate upload. **Multiple discounts and refunds cannot be applied retrospectively after the films have already been submitted.**
- For educational institutions, film institutes, distributors or filmmakers who wish to submit multiple entries special discounted rates are available. The festival relies heavily on submission fees to be able to operate. We are aware that some educational institutions, film institutes and distributors struggle with this payment particularly regarding multiple entries and as a result we offer discounts. For a multiple entry discount please contact info@encounters-festival.org.uk
- We have produced the template below as a guide to discounts that apply when submitting multiple entries at the standard submission rate. **We do not, in any way, wish to discourage an entry therefore this guide is by no means strict and further discounts may be negotiated.**

- Successful entrants will be notified of their inclusion in the festival by the end of June 2017. Those entrants who have not been successful will also receive email notification at this time.
- ALL programming selections are at the discretion of the festival curation team and their decision is FINAL.
- After selection, notification letters will be sent electronically to the submitter; please provide an email address that is checked regularly and ensure that the user account info@encounters-festival.org.uk is added to your address book.
- Due to the large number of submissions that the festival receives we are unable to give comments on individual films prior to submission or offer feedback for unsuccessful entries.

FESTIVAL SCREENINGS

- If your entry is chosen for the programme, you will be asked to supply DCP or a 35mm print for screening at the festival.
- If you have neither of these formats the festival can create a DCP for you from a Pro-Res file for a fee.
- There are no fees for participating in the festival. Participants are not entitled to claim rental or other fees for screenings at the festival.
